SENT DEPARTMENT 665, JIDDA 434.

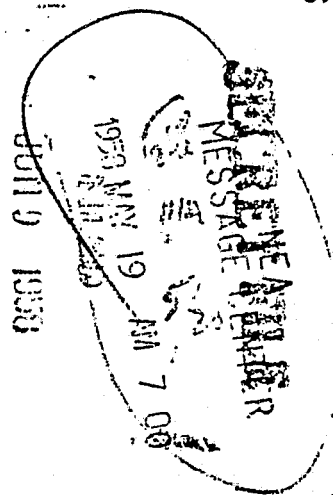

King Saud arrived at Dhahran by train from Al-Kharj approximately 6 p.m. by prior arrangement not only by small group top ARAMCO and Amirate officials. Taken directly to ARAMCO hospital, where, after requesting additional air-conditioning, he went to bed.

Physicians refuse on ethical grounds to specify exact nature ailments. They reluctant commit themselves as to nervous and emotional strain under which he appears to be laboring. Assumption is that HM will consent to extensive examination, result of which may be more complete diagnosis. Meantime, no official events planned for HM.
